Dear Fellow Patriot,

THANK YOU for supporting the Wounded Warriors in Action Foundation (WWIA) and America's combat wounded Purple Heart veterans. We received your generous contribution of \$15,000.00 on 9/1/2015. Your contribution is unparalleled and your support greatly appreciated.

As you know, the WWIA is dedicated to helping heal our combat wounded service members through the power of the great outdoors. After one of our recent Ohio events, one of our Purple Heart recipients shared the following:

I am not one to like being called a Hero as I do not feel I will ever be one. However, everyone that has had a part in this really made me feel like one. Today is always a rough day for me as it's the anniversary for my 2 brothers being killed while in Iraq. Being here and out of my normal element has helped a lot in keeping my mind occupied. You are all stars and I look forward to keeping in touch in the future. Thank you again for an amazing opportunity.

---SGT (R) M. Killian

Thanks to concerned Patriots like you, our Heroes have the opportunity to connect with other war veterans who share similar experiences as they forge healing bonds afield, all in support of their recovery process. Once again, thank you for your generous support. Please help us spread our message of hope and healing to your friends and family.

Very sincerely and respectfully yours,
